# **PARKSVILLE 2026**

We are pleased to invite you to be part of the Woodlots BC Conference, taking place in beautiful Parksville, British Columbia, at the renowned Tigh-Na-Mara Seaside Spa Resort.

This annual conference brings together woodlot licensees, forestry professionals, industry leaders, community partners, and supporters from across British Columbia to share knowledge, build connections, and explore the future of sustainable woodlot management. The event provides a valuable forum for discussion, learning, and collaboration on the issues and opportunities shaping the woodlot sector today. Against the stunning backdrop of Vancouver Island, the conference offers sponsors a unique opportunity to showcase their organization, strengthen relationships within the forestry community, and demonstrate their commitment to supporting BC's woodlot licensees and the broader forest sector.

Your sponsorship helps make this important event possible while providing meaningful visibility and engagement with a highly relevant and invested audience. We look forward to partnering with organizations that share our commitment to the strength, sustainability, and future of woodlots in British Columbia.
